ADDPTED IN STATE CONVENTION JANUARY, S. 1862 WHEREAS, The Democratic party having, from the date of its organization, been in favor of the maintenance of the Uni a and the preservation o the Constitution, and seeing in the present condition of the country the deplorable effects of a departure from its time honored and conservative principles, and the triumph of sectionalism; and armly believing that the Union and the Constitution can be preserved alone by the restoration of that party to power, we invite all true Union men throughout the land to unite with us in sustaining its organization and carrying out its principles: Therefore,

Resolved, 1. That we reaffirm and endorse the political principles that from time to time have been put forth by the National Conventions of the Democratic party.

2. That we are unalterably attached to the Constitution, by which the Union of these States was formed and established; and that a faithful observance of its principles can alone continue the existence of the Union, and the permanent happiness of the people. 3. That the present civil war has mainly re-

sulted from the long continued, unwise, and fanatical agitation, in the North, of the question of domestic slavery, the consequent organization of a geographical party, guided by the sectional platforms adopted at Buffalo, Pittsburgh, Philadelphia, and Chicago, and the development there by of sectional hate and jealousy, producing (as had long been foreseen and predicted by us) its counterpart in the South of secession, disunion, and armed resistance to the General Government, and terminating in a bloody strife between those who should have been forever bound together by fraternal bonds, thus bringing upon the whole country a calamity which we are now to meet as loval citizens, striving for the adoption of that mode of settlement best calculated to again re-

store union and harmony. 4. That in rejecting all propositions likely to result in a satisfactory adjustment of the matters in dispute between the North and the South, and especially those measures which would have se cured the border slave States to the Union, and a hearty co operation on their part in all constitutional and legal measures to procure a return of the more Southern States to their allegiance, the Republican party assumed a fearful responsibility, and acted in total disregard of the best interests of the whole country.

5. That if the party in power had shown the same desire to settle, by amicable adjustment, our internal distensions before hostilities had actually commenced, that the Administration has recently exhibited to avoid a war with our ancient enemy. Great Britain, we confidently believe that peace and harmony would now reign throughout all our borders.

6. That the maintenance of the Union upon the principles of the Federal Constitution should be the controlling object of all who profess loyalty to the Government-and in our judgment this purpose can only be accomplished, by the ascendency of a Union party in the Southern States, which shall, by a counter revolution, displace those who control and direct the present rebellion. That no effort to create or sustain such a party can be successful which is not based upon a definite settlement of the questions at issue between the two sections; and we therefore demand that some such settlement be made by additional constitutional guaranty, either initiated by act of Congress or through the medium of a National

7. That the Republican party has fully demonstrated its inability to conduct the Government through its present difficulties.

3. That we are utterly opposed to the twin heresies, Northern sectionalism and Southern secession, as inimical to the Constitution; and that freemen, as they value the boon of civil liberty and the peace of the country, should frown indignantly upon them.

9. That in this national emergency the Democracy of Indiana, banishing all feeling of passion and resentment, will recollect only their duty to the whole country; that this war should not be waged in the spirit of conquest or subjugation, nor for the purpose of overthrowing or interfar ing with the rights or institutions of the States. but to defend and maintain the supremacy of the Constitution, and to preserve the Union with all the dignity, equality and rights of the several States unimpaired; and that as soon as these obects are accomplished the war ought to cease. 10. That we will sustain, with all our energies,

pation of the negroes, or the subjugation of the Southern States. 11. That the purposes avowed and advocated by the Northern disunionists, to liberate and arm the negro slaves, is unconstitutional, insulting to loyal citizens, a disgrace to the age, is calculated to retard the suppression of the rebellion and meets

a war for the maintenance of the Constitution, and

of the integrity of the Union under the Constitu

tion; but we are opposed to a war for the emanci

our unqualified condemnation. 12. That the total disregard of the writ of habear corpus by the authorities over us, and the seizure and imprisonment of the citizens of loval States where the judiciary is in full operation, without warrant of law and without assigning any cause or giving to the party arrested any opportunity of defense, are flagrant violations of the Constitution and most alarming acts of usurpation of power, which should receive the stern rebuke of every lover of his country and of every man who prizes the security and blessings of life, liberty and

13. That liberty of speech and of the press are guaranteed to the people by the Constitution, and none but a usurper would deprive them of these rights; they are inestimable to the citizen and formidable to tyrants only. And the attempts which have been made since our present unfortunate troubles, to muzzle the press and stifle free discussion, are exercises of despotic power against which treedom revolts and which can not be tole-

rated without converting freemen into slaves.

14. That the seizure of Slidell and Mason, on board a neutral vessel, on the high seas, was either in accordance with international law, and so legal; or else in violation of such law, and so illegal. If the former, we lament that our nation has been humiliated by their surrender, under a threat; if the latter, it was the duty of the Administration at once to have disavowed the act of their officer, and instead of incarcerating the captives in Fort Warren, to have immediately repaired the wrong by placing them, as far as practicable, in the same condition in which that officer had found them. In either event, the action of the Administration was vacillating [and cowardly, and degrading to the dignity of a great na-

15. That the action of the Republican party, as manifested in the partisan character of all appointments of the Administration to civil office and, in holding party caucuses by the Republican members of Congress for the purpose of impressing upon the legislative action of that body the peculiar dog mas of that party, have demonstrated that their professions of "sacrificing party platforms, and party organizations, upon thealtar of their country." are but so many hypocritical and false pretences by which they hope to dupe the unwary into their support; and we warn all loyal persons, as they love their country, not to be decrived thereby.

16. That the disclosures made by the investigating committee in Congress of the enormous frauds that have stalked into the army and navy departments, implicating the heads of those de partments in a connivance at, if not an actual participation in a system of corruption, and ir which our brave soldiers have been detranded of their proper supplies, and our Government threat ened with bankruptcy, demands a thorough investigation into all our expenditures, both State and National, and that a speedy and marked example be made of all such "birds of prey," who, taking advantage of the necessities of our conn

try, have fed and fattened upon public plunder. Resolved. That the meritorious conduct of the Indiana troops, in every battle field where victory has perched upon the national banner, has filled the people of this State with the highest gratitude to her gallant sons, and that we send our best wishes to officers and men, dispersed throughout the country, and the heartfelt greetings of every Democrat for their further brilliant achieve ments in the coming contests for the maintenance of the Constitution and the Union.

LIGONIER, Noble county, Indiana, Feb. 5 1859. Prof. O. J. Wood, Dear Sir—15 the latter part of the year 1852, while attending to the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months, the whole upper part of my scalp was entirely bereft of its covering, and much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of indiana, my more casual acquaintances were not so much at a loss to idiscover the cause of the change in my appearance, as my more intimate acquaintances to recognize me at all

I at once made application to the most skillful physicians in the country, but rectiving no assurances from
them that my hair could again be restored. I was forced
to become reconciled to my fath, until-fortunately in the
latter part of the year 1857, year restorative was recommended to me by a druggist, at being the most reliable
Hair Restorative in use. I tried one bottle, and found to
my great satisfaction that it was producing the desired
effect. Since that time I have head seven dollars worth
of your Restorative, and as a
very soft black hair, which no money can buy.

As a mark of my gratitude for your labor and skill in
the production of so wonderful an article, I have recommended its use to many of my friends and acquaintances,
who, I am happy to inform you, are using it with like
effect. Very respectfully.

OAK GROVE, S. C., June 24, 1859 Prof O. J. Wood: Dear Sir-Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Resto-

During the year 1854, 1 was so unfortunate as to be thrown from my sulky against a rock near the road side, from which my head received a most terrible blow, causfrom which my head received a most terrible blow, causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effect of which my hair was finally destloyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I chuld think of, being a professional man myself; and, as I thought understanding the nature of the disease, but was finally defeated in every prescription advanced.

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to belive produced a very happy result; two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you

A gettleman of this place, (a lawyer,) has been bald ever tince his early youth, so much so that he was compelled to wear a wig. He was induced to use a bottle of your 'Hair Restorative,' which he liked very much; and after using some two or three bottles his hair grew out suite luxuriantly, and he now has a handsome head of hair. Wood—Dear Sir: I take pleasure in recommending your Hair Restorative as a most excellent cure for scald head. My son was suffiring very much from this disease, and after using one bottle, was made perfectly well. The New York Day Book says:

"The majority of Hair Washes. Hair Dyes, Hair Tonics. Hair Oils, and the numberless preparations which are now before the public under such extravagant, hyperbolical and fantastic titles as we see paraded in show window cards and newspaper headings, at hair preparations, are all humbugs of the first water; their real merit, when they possess any, is, that they do no harm. HOG'S LARD, WHALE OIL, LARD OIL, SWEET OIL, scented and colored make up, when in Seantiful waterers and package I am safe in saying that you will ever afterward and colored, make up, when in beautiful wrappers and white flint glass bottles, the costnest character of tonics: and when thus costly are baptized with some tri-yllable term, and caught at by verdant young and old of both sexes. Such is not the character of Prof. Wood's Hair Restorative. This gentlemen comes before the world with-out any "highfalutin" Xilophloferium, or any other as-tounding or startling catchpenny ferms; he simply ad-vertises a Hair Restorative—what it expresses, pre-cisely—and as a Restorative it acts. Buy Prof. Wood's Hair Restorative; and, as you value your scalp, aye, your very brains, apply nothing else; for it may be that you will get some worse substance than perfumed lard oil on your cranium. Remember, Wood's Restorative for the hair is the best article extant."
